

THE LATEST ADDITIONS TO THE "DIAMOND" RANGE OF ACCESSORIES

THE NEW "DIAMOND" 2 POSITION POLISHED ALLOY WORK TABLE

THE TABLE IN THE NORMAL POSITION

THE TABLE IN EXTENDED POSITION SHOWING ALL ROUND SUPPORT FOR LARGE WORK

This is a new innovation by "DIAMOND" to give both a normal working position for blade and an extended position, already drilled to take all diamond accessories in both positions. The changeover is simple - Remove the blade - unscrew 4 allen screws - slide table to new position - tighten the 4 allen screws.

ANOTHER FIRST FROM "DIAMOND" NO OTHER MAKER OFFERS 2 POSITION TABLE.
