

## THE LATEST ADDITIONS TO THE "DIAMOND" RANGE OF ACCESSORIES

THE ILLUSTRATION ABOVE SHOWS THE AF-24VS MOUNTED ON THE STAND WITH SEAT. This also gives an impression of the size of this machine and the **UNBEATABLE VALUE FOR MONEY** of our products **ANYWHERE IN THE WORLD.**

**THE STAND WITH SEAT** is a special design for all DIAMOND fretsaws but can be adapted for other makes. Fitted with a bracket for the foot control switch and fully braced against vibration. The vinyl covered seat is fully adjustable – height – reach and backrest.

Revolving seat and auto – tilt backrest for working comfort.

This stand is **ROCK STEADY IN USE** so that a £1 coin will stand up on edge on the machine table at full speed.

**THE DIAMOND PATENT STAND** can be dismantled or assembled in about 10 mins.  
Ideal for craft fairs, etc.

ALL OUR MACHINES ARE MADE IN OUR WORKS AT HINCKLEY FROM BEST QUALITY BRITISH STEEL. WITH THE FINEST BRITISH COMPONENTS AND WORKMANSHIP.
